**Re: New York Workers Compensation - WC & EL Manual
USL&H – Boat Repairers Exclusion Language**

Please be advised that Manual Page C-12, previously distributed on August 12, 2009 in RC # 2210, regarding the above captioned item, contained incorrect language regarding State ACT coverage. The language for Code 6834 has been amended and is attached for your review and reference.

The Board's web version of the manual has also been updated for this change.

Very truly yours,

Monte Almer

President
