**Re: Experience Modification Service – 2010 Renewal**

The Rating Board's web-based experience modification service allows subscribers the ability to access, by employer name, as well as by Rating Board File Number, the insured's most recent experience modification. Other information, such as classification, issue date and effective date is also available for review on the selected record.

Subscriptions for the 2009 year are now coming to an end and, therefore, in order to maintain continuous service in the coming year, a renewal fee for 2010 in the amount of \$1,000 is required for the first designated user. Additional company representatives may subscribe at the reduced rate of \$325 per user. Please note that current subscribers will be able to retain their present user ids and passwords which will be noted as such on verification of their subscription.

Attached is a form which must be completed and returned to the Board with the appropriate payment. Once the Board receives this payment, you will be assigned your user ID and password which will be in effect until the end of 2010. Any questions concerning your subscription can be addressed to the Board's Accounting Department as noted above.

**Very truly yours,**

**Monte Almer**
