### **To the Members of the Board**

**Re: New York Workers Compensation  
Approved Loss Cost Change – October 1, 2010**

Please be advised that the New York State Insurance Department has approved, as filed, the Rating Board's request for an average 7.7% increase in workers compensation loss costs to become effective on October 1, 2010.

Loss Costs by classification and related rating values will be published and posted on our website as soon as they are available but no later than August 1, 2010.

**Very truly yours,**

**Monte Almer**

**President**
