Re: **New York Workers Compensation**
Approved Loss Cost Change – October 1, 2011

Please be advised that the New York State Insurance Department has approved an average 9.1% increase in workers compensation loss costs to become effective on October 1, 2011.

Loss costs by classification and related rating values will be published in subsequent bulletins and posted on our website no later than August 1, 2011.

Very truly yours,

Monte Almer

President
